Would you like to volunteer with us?

We do an important job in keeping our community safe and we're looking for more locals to join our team. We welcome people from all walks of life.

Register your interest at:
fireandemergency.nz/volunteer

We need more volunteers

We need more people to help ensure our brigade can help keep our community safe. We have a range of roles available including firefighters, operational support and administration.

We respond to around 30 call-outs each year

As well as fires, our brigade responds to motor vehicle accidents, medical incidents and other requests from people in need.

Training is Wednesday night

We train twice a month on Wednesday evenings. During training we practise current skills, learn new ones and build a supportive team spirit that extends beyond our brigade.

What are the benefits?

Volunteering with us is a rewarding way to help our community. As well as the feel-good factor, volunteers receive free health checks, an annual \$300 reimbursement and discounts.

Interested in finding out more?

If you're aged 18+ (or 16-17 with permission from your caregiver), a team player, and would like to contribute in your community, we would love to hear from you!
