Would you like to volunteer with us?

We do an important job to keep our community safe and we're looking for local residents and workers to join our team. We welcome people from all walks of life.

We respond to over 100 callouts each year

About a quarter of callouts are for fires – vegetation fires as well as property – with similar numbers each for medical incidents and vehicle accidents. We also respond to other requests from people in need.

We need more volunteers

We have a dedicated crew of volunteers, but we need more Mangatangi locals to help share the load in keeping our community safe. Generally, we need people who live or work near the station but if you live a bit further away, we'd still love to hear from you.

Training is every Wednesday night

We take pride in training our volunteers to save lives and respond to emergencies, and to do that safely. During training we refresh and learn new skills and build a supportive team spirit that extends beyond our brigade.

Interested in finding out more?

If you're interested in volunteering with us, aged 18+ (or 16-17 with permission from your caregiver) and available on Wednesday evenings, come to our Open Night on Wednesday 19 August.

- Discover what it takes to volunteer
- Hear about the training and new skills you'll learn
- Find out about the support available
- BBQ and meet our crew!

Like to find out more but unable to attend the Open Night? Please contact Steve Pogson on 027 488 6982.
